

Bill Cuttino

Computer Support

4805 Tanners Spring Drive Alpharetta, Georgia 30022

Phone: 678-762-0281 Email: info@billcuttino.com

Web Site: <http://www.billcuttino.com>

We work with small companies, home offices and individuals to provide on-site service to fix any computer problem immediately.

We provide prompt, friendly and courteous service and are equipped with the knowledge and understanding to simplify complex technical terms into useable information.

We do not require the customer to drop off their computer and wait for several days.

We have been in business for over 6 years and will continue to service your needs in the future.

EDUCATION

BS in Electrical Engineering, Auburn University, Auburn, Alabama

BS in Management Information Systems, Taylor University, Upland, Indiana

SERVICES PROVIDED

- Support Windows 2000/XP/Vista and Mac OS X operating systems
- Setup and configure email on any computer or handheld device.
- Provide steps to clean files from your system, reduce email spam, control popup ads and speed up the startup process time.
- Install and configure DSL and cable modems.
- Create and configure a network using routers, switches and wireless access points.
- Install virus software.
- Install both hardware and software firewalls.
- Show how to get the most out of each software package so that work on the computer will be more efficient and effective.

Please call 678-762-0281 or email info@billcuttino.com for immediate service.
